Important Information about Requests for Amendments to Permits and Endorsed Plans

- A. Pursuant to Section 56 (2) of LUPAA 1993, Council is able to amend a permit if it is satisfied that:
- is not an amendment of a condition or restriction, specified in the permit, that is required, imposed or amended by the Appeal Tribunal; and
 - does not change the effect of a condition or restriction, specified in the permit, that is required, imposed or amended by the Appeal Tribunal; and
 - will not cause an increase in detriment to any person; and
 - does not change the use or development for which the permit was issued other than a minor change to the description of the use or development.
- B. Where the permit was issued by decision at a Council meeting the request for minor amendment will need to go before a Council meeting for approval and any Representors will be notified of the amendment.
